**Department of Business Management**

**Indira Gandhi National Tribal University Amarkantak, MP.**

**Dated: 10/02/2015**

**Dear Alumnus/ Alumna,**

It is matter of great pleasure that Department of Business Management of India Gandhi National Tribal University (IGNTU), Amarkantak has established **आत्मन-AATMAN an Alumni Association of Transforming Managers**, where as **आत्मन-AATMAN** in its literal sense means **SOUL, ESSENCE, SELF REVELATION**. Aatman is the central idea of all the Upanishads, it state that ,the core of every person's self is not the body, nor the mind, nor the ego, but *Aatman* - "Soul" or "Self", Aatman is the spiritual essence in all creatures, their real innermost essential being. It is eternal, it is the essence, it is ageless. Aatman is that which one is at the deepest level of one's existence. Thus this Cell in its real sense wants to associate with its Soul Mates; those who are the Alumnus and want to tie the bonds and strengthen the eternal relationships .The Alumnus are the Assets of the Department and Brand Ambassadors to the Outer Corporate World and the Reflection of Alma Mater.

In order to facilitate and strengthen this bonding beyond the bounds of time and age, we invite our Alumnus to come and join hands for Creating Synergistic Effect for harnessing mutual benefits.

All those students, who have successfully completed their Course of Studies at Department of Business Managements (MBA & BBA), are eligible for membership in this Management Alumni Association of IGNTU.

The Association intends to operationalise its activities by engaging in Alumni Meets, Reunions, Web Meets and Webinars, Developing Common Resource Pool i.e., Sharing of Infrastructures and Intellect for joint Sessions, MDPs, FDPs etc., Alumnus feed back of their Corporate Leanings will be given due place while Designing Methodologies and Functional Domain Deliverables. I hope this Endeavour will help us in marching ahead on the Paths of Glory.....
