### CONGRATULATIONS

I am delighted to congratulate six MBA(TA) students (given below in the table), who have been selected in different premier companies including YATRA.Com, New Delhi. It is a proud moment for all of us to greet and compliment those students who have brought laurels to the University. The Department deserves appreciation for having taken pains and care for grooming and preparing the students for the final placement. We will make our possible efforts to place the remaining MBA(TA) students. I urge upon the first year MBA(TA) students to prepare well for the final placements in the forthcoming academic year. The priority of University is to find placement offers for all students having different disciplines. It is the fruits of our sincere efforts that we will continue to do so for the bright future of our students.
